

## Updating Your NYSSSWA Membership Profile

This link will direct you to the login-in page so you can update your profile.

<https://www.123signup.com/profile?Org=nyssswa>

Be sure to update your NYSSSWA profile to include your NYSED SW License. The CEU certificates pull your NYSED SW license from your profile. Your license is only six digits, disregard any prefix or suffix numbers or letters.

Don't know your license number? Once you access your profile, there is specific information on how to search NYSED Office of Professions website.

***You are responsible for keeping your profile up-to-date. Unless your information changes, you will not need to update your profile in the future.***

If you have issues, please contact 123signup.com at: [support@123signup.com](mailto:support@123signup.com)
