

Meet the NYSSSWA Board:

Dr. Marilyn Solano

Suffolk Regional Representative

Dr. Marilyn Solano, a Licensed Clinical Social Worker with over 20 years of experience serving the Brentwood community—a place that shaped my own journey as a proud alum.

College once felt out of reach, but with faith, hard work, and perseverance, I earned my BSW, MSW, and a Doctorate in Theology. Today, I'm honored to support students as a school social worker, guide future professionals as an intern supervisor, and help children and families heal through private practice work.

Social work is more than my career—it's my calling. I'm committed to advocating for the voiceless, empowering the vulnerable, and serving with heart, hope, and purpose.
